QGIS Application - Feature request #18042
Include confirmation on delete of features

2018-02-04 05:22 PM - Kory Roberts

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:	GUI		
Pull Request or Patch supplied:	No	**Resolution:**	duplicate
Easy fix?:	No	**Copied to github as #:**	25938

Description

I believe an additional safeguard should be included on deletion of features with confirmation popup: "Are you sure you want to delete the 35 selected features?" Yes/No. The delete button particularly in the Attribute Table is fairly easy to click by mistake and QGIS offers no feedback to the user what just happened.
