QGIS Application - Feature request #183
Sample label text should show buffer, orientation, etc

2006-07-08 11:40 PM - Gavin Macaulay -

Status:	Closed			
Priority:	Low			
Assignee:	Gary Sherman			
Category:	Symbology			
Pull Request or Patch supplied:			**Resolution:**	fixed
Easy fix?:	No		**Copied to github as #:**	10242

Description

Setting a coloured buffer isn't reflected in the sample text in the label dialog box.

History

#1 - 2006-07-14 02:53 AM - Gavin Macaulay -

It's actually more general than that.

The sample text only shows the font, size, and colour. None of the other things that one can do to the text are reflected in the sample, which makes this ticket more of an enhancement than a defect as I suspect that it didn't do those things in 0.7 either.

Hence I'm moving this to the 0.9 release.

#2 - 2010-11-15 06:15 PM - Volker Fröhlich

- *Resolution set to fixed*
- *Status changed from Open to Closed*

The preview of the new symbology also shows the buffer.

#3 - 2010-11-16 06:04 PM - Volker Fröhlich

Added "orientation" from the heading to #1329.
