

QGIS Application - Feature request #18332

Project Snapping Option should have both "All layers" and "Visible layers" options

2018-03-04 08:52 PM - sand thorn

Status:	Open	Resolution: Copied to github as #: 26222
Priority:	Normal	
Assignee:		
Category:	Editing	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
Currently, "All layers" is actually "Visible layers" not quite literally "all".		
There should be both options anyway.

Okey, a feature request it is.

The current behaviour should be named "Visible layers" not "All layers", it might be too little to open an issue though.
