<b>Pull Request or Patch supplied:</b>		<b>Resolution:</b> fixed
<b>Easy fix?:</b>	No	<b>Copied to github as #:</b> 11907
<b>Description</b>		
<p>i was wondering if it is possible to add a feature to print composer that allows a user to select via a selection tool, exactly the area that needs to show in the map box. the mapbox should also lock into that area unless the user requests to change it</p>
