

QGIS Application - Bug report #18555

Window Title does not update if project is loaded via Python console

2018-03-27 11:16 AM - Peter Gipper

Status:	Open	
Priority:	Normal	
Assignee:		
Category:	PyQGIS Console	
Affected QGIS version:	3.0.0	
Operating System:	Windows 7	
Pull Request or Patch supplied:		
Crashes QGIS or corrupts data:		Regression?: No
		Easy fix?: Yes
		Resolution:
		Copied to github as #: 26443
Description		
If a project is loaded with PyQGIS using the command <code>QgsProject.instance().read("path/to/project.qgs")</code> the QGIS window title doesn't update to show the current project title. It updates after open and closing the project properties though.
