<div>Description</div> <div>In print layout, add a map item</div> <div>In its properties panel, size and position, press the lock button on its width and height.</div> <div>Change one value in the spinbox, the other one aligns. Good.</div> <div>Now, resize the item with the "Select/Move item" tool. No ratio is taken into consideration.</div> <div>The button stays pressed but ratio is broken</div>
