

QGIS Application - Feature request #19001

[Python Console] Modify the _pyqgis command behavior

2018-05-22 10:16 AM - Harrissou Santanna

Status:	Closed	Resolution: Copied to github as #: 26832
Priority:	Normal	
Assignee:		
Category:	PyQGIS Console	
Pull Request or Patch supplied:	Applied	
Easy fix?:	No	
Description		
<p>In the Python console type <code>_api</code> leads to https://qgis.org/api and <code>_pyqgis</code> to https://docs.qgis.org/testing/en/docs/pyqgis_developer_cookbook.</p> <p>Now that there's a PyQGIS API dedicated site, better move to there when using <code>_pyqgis</code> command and find something else for the cookbook</p>
