

QGIS Application - Feature request #19058

Add a "compress files" algorithm

2018-05-29 12:11 PM - Magnus Nilsson

Status:	Open	Resolution: Copied to github as #: 26888
Priority:	Normal	
Assignee:		
Category:	Processing/QGIS	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>I would like to see support for compressing (zip) the model output. It should also be possible to add external files, such as a PDF document, to the archive.</p>		

History

#1 - 2018-05-31 10:02 AM - Magnus Nilsson

It should also be possible to organize the external files in folders in the archive. That way, I can organize the files in a suitable way.

#2 - 2018-06-04 04:04 AM - Nyal Dawson

- Category changed from Processing/Modeller to Processing/QGIS

- Subject changed from Compress output from a processing model to Add a "compress files" algorithm
