Pull Request or Patch supplied:		Resolution:
Easy fix?:	No	Copied to github as #: 26943
Description		
<p>It would be helpful to get the EPSG code for an ellipsoid as acronyms and descriptions vary.</p> <p>For instance, "evrst30" is not the original "Everest 1830" (EPSG:7042) ellipsoid definition defined in Indian Feet but rather the "Everest 1830 (1937 Adjustment)" (EPSG:7015)</p>
