

QGIS Application - Feature request #19399

Make status bar into two toolbars with controls as tb widgets

2018-07-12 06:59 AM - Patrick Dunford

Status: Open	
Priority: Normal	
Assignee:	
Category: Map Canvas	
Pull Request or Patch Supplied:	Resolution:
Easy fix?: No	Copied to github as #: 27227
Description	
<p>If you are running Qgis on screens at 1000 or perhaps much less than 1600 pixels the status bar will be too cramped and can't read the labels on it.</p> <p>Preferably the status bar could be changed into a couple of toolbars that can be dragged or customised as needed.</p>
