

QGIS Application - Bug report #19461

QGIS Desktop 3.2.1 Filtered features not displayed

2018-07-22 12:15 PM - Alexander Täschner

Status:	Closed	
Priority:	High	
Assignee:		
Category:	Attribute table	
Affected QGIS version:	3.2	Regression?: Yes
Operating System:	Windows 10	Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: no timely feedback
Crashes QGIS or corrupts data:	No	Copied to github as #: 27289
Description		
<p>Features resulting from the filter "amenity" = 'school' on multipolygons layer from OSM data import are not displayed and not listed in attributes table in QGIS Desktop 3.2.1, works in QGIS Desktop 2.18.22 with same project file.</p> <p>Steps to reproduce:</p> <ol style="list-style-type: none">1. Add the OSM Data from Swellendam.osm into new project via Browser (only layers lines, multipolygons, points)2. Add filter to multipolygons layer via Filter context menu in Layers panel: "amenity" = 'school'3. Switch on "Show feature count" on multipolygons layer4. Saved project (SwellendamFilter.qgs) <p>Result:</p> <p>Nothing from the multipolygons layer is displayed, although feature count is 4; attributes table is empty, but shows 4 total features (see SwellendamFilterQGIS_3_2.JPG).</p> <p>Opening the SwellendamFilter.qgs file in QGIS Desktop 2.18.22 shows the 4 features (see SwellendamFilterQGIS_2_18_22.JPG).</p> <p>Attached ZIP file contains the OSM, the QGS and the two JPG files.</p>		

History

#1 - 2018-07-22 01:17 PM - Giovanni Manghi

- Regression? changed from No to Yes

#2 - 2018-07-24 05:19 PM - Etienne Trimaille

- File map.osm added

I can confirm this issue.

Show feature count is not working on OSM layers (opened with the normal open vector layer menu)

#3 - 2018-07-25 07:32 AM - Alexander Täschner

In my case the feature count is correct (4), but the items are not rendered and not listed in the attributes table! So this seems to be another issue than the one described by Etienne.

#4 - 2018-12-27 10:13 AM - Nyall Dawson

- Status changed from Open to Feedback

This should be fixed in 3.4 - can you confirm?

#5 - 2019-01-14 11:51 PM - Nyal Dawson

- Resolution set to no timely feedback
- Status changed from Feedback to Closed
