Does the directory R exists in %ProgramFiles%? Does the installation complete when you remove %OSGEO4W_ROOT%\etc\ini\rbatchfiles.bat%?

#4 - 2018-08-08 09:56 AM - Sven Wehke

Hello Jürgen,

yes, the direktory R exists in ProgramFiles and the installation does complete after removing OSGeo4W\etc\ini\rbatchfiles.bat

Thank you very much!

Sven
