

QGIS Redmine (QGIS bug tracker) - Bug report #19649

Style loading issue

2018-08-20 02:43 PM - joao esperidiao

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Any	
Pull Request or Patch supplied:		
Description		
Loading styles from .QML files fail when a style is stored into DB. If more than a style is stored into DB, it only changes through QGIS interface (does not work if it is managed by API).		

History
