QGIS Application - Bug report #19807
Fix saving graphical model in project

2018-09-10 03:45 PM - Simon Gröchenig

Status:	Closed			
Priority:	High			
Assignee:				
Category:	Processing/Modeller			
Affected QGIS version:	3.3(master)	**Regression?:**	Yes	
Operating System:	Win 7	**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**	duplicate	
Crashes QGIS or corrupts data:		**Copied to github as #:**	27631	

Description

I can save graphical models only for the first time. When I update the model and try to save it again (pressing the green 'Save model in project' button), it is not saved. However, a info message claims it is saved.

Expected behavior: Always save latest graphical model in project. Either create a new one or replace the existing one.

Reproduction:

- Create new project
- Open graphical model editor
- Create a simple model
- Save it in project (green button)
- Close model editor
- Look for model in toolbox and click 'edit model' in order to reopen the graphical model editor
- Modify the model
- Save the updated model by clicking on green save button
- Close and reopen model
- Only the first version of the model is shown!!!

- Status changed from Open to Feedback

Hm, I can't reproduce this, using the exact same steps!

What inputs/algorithms do you put in your simple model?

#3 - 2018-09-11 11:38 AM - Simon Gröchenig

- File model.zip added

I tried to reproduce with a fresh install of QGIS dev. It still doesn't work as expected.

For the first version of the model I only added a Vector Layer.

For the second version I added a Buffer alg.

I have compared the qgs-project-files from before and after modifying the model. The are equal.

I can only save updated models in the project if I modify the name of the model.

I have attached a zip. It contains two qgs-project files. Maybe they help...

model.qgs should contain the updated model, however it only contains the first version of the model.

model1.qgs contains both versions with different names.

- Status changed from Feedback to Open

#5 - 2018-09-12 03:57 AM - Nyall Dawson

- Resolution set to duplicate

- Status changed from Open to Closed

Ah - I missed the "save in project" part here.

Duplicate of #19824
