QGIS Application - Bug report #20224
Map Tips does not appear to align with cursor

2018-10-26 11:14 AM - Andy Whyte

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:	Map Tools		
Affected QGIS version:	2.18.14	**Regression?:**	No
Operating System:	Windows 10 Version 1803	**Easy fix?:**	No
Pull Request or Patch supplied:		**Resolution:**	fixed/implemented
Crashes QGIS or corrupts data:		**Copied to github as #:**	28045

Description

I find the map tips tool very useful. However I have noticed that it does not appear to align with where the cursor is placed on the map canvas. I have only tested this on QGIS 2.18.14.

I have attached a Gif to try an illustrate what I mean using counties of the united Kingdom which you will see does not match the cursor position.

History

#1 - 2018-10-27 05:02 PM - Giovanni Manghi

- Pull Request or Patch supplied changed from Yes to No

- Status changed from Open to Feedback

- Category changed from Unknown to Map Tools

Please try on 3.4
