Oops, didn't want that strikeout...

Toggling (Open new attributes tables as docked windows) is not retained between closing/opening QGIS.

#2 - 2018-11-18 06:14 AM - Kory Roberts

After purging QGIS, including configuration files, and reinstalling issue seems to be resolved for me now. I suspect I somehow ended up with something corrupted in a configuration file, but not sure what or how.

#3 - 2018-11-19 10:47 AM - Giovanni Manghi

- Resolution set to invalid

- Status changed from Open to Closed
