

QGIS Application - Bug report #20610

Add default parameter in GDAL contour

2018-11-23 04:28 PM - Paolo Cavallini

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Processing/GDAL	
Affected QGIS version:	3.4.1	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed/implemented
Crashes QGIS or corrupts data:		Copied to github as #: 28430
Description		
In processing:gdal contour the band number should default at 1, better than leaving it empty. Possibly this is true of other commands as well.
