

QGIS Application - Bug report #20822

Batch buffer does not start and crashes application

2018-12-17 04:40 AM - Ross Thorn

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Analysis library	
Affected QGIS version:	3.4.2	Regression?: Yes
Operating System:		Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: fixed/implemented
Crashes QGIS or corrupts data:	Yes	Copied to github as #: 28641
Description		
<p>I have a project with 12 layers (5 polygon layers and 7 point layers). When I click the run button to star the process, it does not work or even start. Then when I try to close out of the batch process window, the entire application crashes.</p>		

History
