QGIS Application - Bug report #21217
Attribute Table - [Move Selection to top] doesn't apply on current selection while toggling on

2019-02-09 10:31 AM - Haitham Shatti

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	Attribute table			
Affected QGIS version:	3.4.4		**Regression?:**	No
Operating System:			**Easy fix?:**	Yes
Pull Request or Patch supplied:			**Resolution:**	duplicate
Crashes QGIS or corrupts data:	No		**Copied to github as #:**	29035

Description

When [Move selection to top] toggle is [off] and i have some selected rows, Toggling it on won't apply on the current selection, to work around it i d have to De-Select and select the rows again while [Move to top] is toggled on, is this a normal behavior?, wouldn't it be better if this applies on the current selection while toggling?
