Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	29257

Description

The standard representation of wind arrows is more complex that what is currently displayed for MDAL data (see e.g. http://ww2010.atmos.uiuc.edu/(Gh)/guides/maps/sfcobs/wnd.rxml). It would be good to add this style as default for wind.
