QGIS Application - Feature request #21510
Mesh layers: add absolute time

2019-03-07 10:01 AM - Paolo Cavallini

Status:	Closed

Category:	Data Provider/MDAL			
Pull Request or Patch supplied:	No		**Resolution:**	duplicate
Easy fix?:	No		**Copied to github as #:**	29327

Description

Currently times are only shown as relative, since the first origin. It would be much more useful for the user to show the absolute time (e.g. Thursday 7 March h 10:00).
Also it would be useful, especially for animations, to optionally print the current date and time on the canvas.

Thanks, sorry about the noise.
