

QGIS Application - Feature request #21549

Custom dash on polygon stroke

2019-03-11 12:11 AM - Adam Old

Status:	Feedback	Resolution: Copied to github as #: 29365
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
Allow custom dash patterns on the stroke of a polygon. Currently it seems to exist for line elements but not polygons.
