<b>Pull Request or Patch supplied:</b>	No	<b>Resolution:</b>
<b>Easy fix?:</b>	No	<b>Copied to github as #:</b> 29579
<b>Description</b>		
<p>Currently, we can keep track of and display number of pages (yay!).</p> <p>However, we can't currently assign/alias a page with a friendly name. This could be useful for generating a Table of Contents, footers, etc for the print layout.</p>
