

QGIS Application - Bug report #2766

Query failed if field value contains apostrophe

2010-05-31 12:35 AM - dr -

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Vectors	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: fixed
Crashes QGIS or corrupts data:	No	Copied to github as #: 12826
Description		
For example: instead "nam" = 'ARKHANGEL'SKAYA OBLAST_' I need to print manually "nam" = 'ARKHANGEL\\'SKAYA OBLAST_'. Is it possible escaping this symbols automatically?

fix #2766

History

#1 - 2010-06-20 08:59 AM - Martin Dobias

- Resolution set to fixed
- Status changed from Open to Closed

fixed in commit:fdecdf92 (SVN r13756) - query builder now escapes the single quotes.

#2 - 2012-03-03 06:07 PM - maning sambale

- Affected QGIS version set to master
- Crashes QGIS or corrupts data set to No

Still getting SQL errors from query builder and attribute table search using QGIS 1.7.4 windows.

#3 - 2012-03-04 03:35 AM - Giovanni Manghi

- Pull Request or Patch supplied set to No
- Assignee deleted (nobody -)

it works fine here, what is the expression that fails?

Something like below:

"NAME_2" = 'T'boli'

I'm using 1.7 now on a mac with the same error we also saw this error on 1.7.4 windows.

#5 - 2012-03-06 04:00 AM - Giovanni Manghi

- Status changed from Closed to Reopened
- Resolution deleted (fixed)
- Status info deleted (0)
- Operating System deleted (All)
- Target version changed from Version 1.5.0 to 35
- Priority changed from Low to Normal

Something like below:

"NAME_2" = 'T'boli'

I'm using 1.7 now on a mac with the same error we also saw this error on 1.7.4 windows.

Confirmed, the above expression fails on both qgis 1.7.4 and master. Manually escaping the single quote ("NAME_2" = 'T\\'boli') it works. Message is:

An error occurred when executing the query.

The data provider said:

OGR[3] error 1: SQL: Syntax error, 2 extra tokens

#6 - 2012-03-06 04:55 AM - Jürgen Fischer

- Status changed from Reopened to Closed

Fixed in changeset commit:"9843384a765e56a11a3bd81e11ac9bd49cd2c95d".

#7 - 2012-04-15 10:01 AM - Giovanni Manghi

- Target version changed from 35 to Version 1.8.0

#8 - 2012-04-18 12:15 AM - Jürgen Fischer

- Resolution set to fixed
