

QGIS Application - Feature request #2827

Disable possibility to move Layer Properties icons

2010-06-20 01:11 PM - Ivan Mincik

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:	GUI	
Pull Request or Patch supplied:		Resolution: duplicate
Easy fix?:	No	Copied to github as #: 12887
Description		
<p>Layer Properties icons (left side of form window) can be moved. They can be moved to nasty bunch of icons - see screenshot attached. It can also happen by accidental mouse moves when browsing form window.</p> <p>By my point of view, possibility to move these icons is not advantage, rather it can be confusing. Can we disable this feature ?</p>
