QGIS Application - Feature request #2914
gdal tools: allow (in user interface) to choose for +towgs84 or +nadgrids parameters

2010-07-29 11:54 AM - Giovanni Manghi

Status:	Closed		
Priority:	Low		
Assignee:	Giuseppe Sucameli		
Category:	GDAL Tools		
Pull Request or Patch supplied:		Resolution:	wontfix
Easy fix?:	No	Copied to github as #:	12974

Description

It is worth give a look to the description of ticket #2913.

It is also worth to mention that in the case of the "gdal tools" tools a short way to implement the request would be to allow the command window to be editable

https://trac.faunalia.it/GdalTools-plugin/ticket/35

but obviously it will be better to have it implemented in the GUI.

History

#1 - 2011-03-08 11:30 AM - Giovanni Manghi

- Resolution set to wontfix

- Status changed from Open to Closed

A tool to handle raster/vector datum transformations involving NTv2 grids and towgs84 parameters is going to be developed as separate tool.
