

QGIS Application - Feature request #2936
Units and decimal places of measure tools

2010-08-11 06:42 AM - zicke -

Status:	Closed	Resolution: fixed Copied to github as #: 12996
Priority:	Low	
Assignee:	Marco Hugentobler	
Category:	GUI	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
It would be nice to retain the units of the measure tools. At the moment it switches from meter to kilometer when you measured more than 1000 meters. Then you should also be able to choose the numbers of the decimal places.		

History

#1 - 2010-09-04 06:12 AM - Marco Hugentobler

- Resolution set to fixed
- Status changed from Open to Closed

Applied in commit:505b7669 (SVN r14192). Thanks, Stefan!
