After upgrading to QT 4.1.4 this problem is gone. I'm not sure if to close the ticket - do as you wish.

#2 - 2006-09-29 02:33 PM - Gavin Macaulay -

- Resolution set to fixed

- Status changed from Open to Closed

This sort of error is usually not fatal, and seems to depend a lot on the X server, and if it's gone with qt 4.1.4, I'd consider it close enough to being solved :)
