| Pull Request or Patch supplied: | | Resolution: fixed |
| Easy fix?: | No | Copied to github as #: 13065 |
| Description | | |
| <p>This is a simple patch that permits the user to enter a number in the scale QLineEdit in the Qgis application window.</p> <p>For example, if I write "500", QMapCanvas should be zoomed to 1:500 without the necessity to write the "1:".</p> | | |
