QGIS Application - Feature request #3220
Snapping dialog defaults and loaded form saved project

2010-11-16 06:13 AM - cmoe -

Status:	Closed		
Priority:	Low		
Assignee:	Jürgen Fischer		
Category:	Digitising		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	13280

Description

This patch does two things.

1. if adding a new layer, the snapping options will default to the values that are set in the general qgis options. Thats what's new.

2. When restoring a saved project the 'snap to' that was saved in the project file wasn't restored. The patch corrects this. And that's was was broken. :-)

History

#1 - 2010-11-16 06:15 AM - Giovanni Manghi

great patch. thanks!

#2 - 2010-11-16 06:19 AM - Jürgen Fischer

- Resolution set to fixed

- Status changed from Open to Closed

applied in commit:39927215 (SVN r14691).
