

QGIS Application - Feature request #3292

Make icon for expandable toolbar buttons more obvious

2010-12-04 06:08 PM - Aren Cambre

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:	GUI	
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 13352
Description		
<p>Some toolbar buttons can transform into other buttons if one holds down the left mouse button. For example, holding down the left mouse button on the Measure Line toolbar button exposes Measure Area and Measure Angle toolbar buttons.</p> <p>Per the attached image, the down-pointing triangle that indicates more buttons is too small. It's so small that you have to focus in on each icon to see if there's an additional selection.</p> <p>Please make this triangle more obvious. I'm guessing making it larger, perhaps uniquely colored, could be one answer.</p>		

History

#1 - 2010-12-05 12:16 AM - Jürgen Fischer

- Resolution set to fixed
- Status changed from Open to Closed

already fixed.

#2 - 2010-12-13 02:59 PM - Jürgen Fischer

fixed in commit:8c1ddc16 (SVN r14644)
