

QGIS Application - Feature request #3584

Select features by radius should display current radius

2011-03-09 07:14 AM - marisn -

Status:	Closed	
Priority:	Low	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:	No	Resolution: fixed/implemented
Easy fix?:	No	Copied to github as #: 13644
Description		
It would be nice to display somewhere radius of drawn circle while drawing it to select by radius. Use case: Select all objects within 5km of city centre.		

History

- Status changed from Open to Feedback

Hello, bug triage...

still valid for QGIS 2.13 master.

Perhaps should we add the radius near the mouse pointer instead of opening another window for it like the rotation/simplify tools do ?
