

## QGIS Application - Feature request #376

### PostGIS digitizing: moving entire objects

2006-11-10 06:41 AM - lami-faunalia-it -

<b>Status:</b>	Closed	
<b>Priority:</b>	Low	
<b>Assignee:</b>	Marco Hugentobler	
<b>Category:</b>	Digitising	
<b>Pull Request or Patch supplied:</b>		<b>Resolution:</b> fixed
<b>Easy fix?:</b>	No	<b>Copied to github as #:</b> 10435
<b>Description</b>		
When digitizing in [[PostGIS]], it is not possible to move an entire object (line or polygon)		

#### History

**#1 - 2008-01-31 09:28 AM - pcavallini -**

This is now possible in 0.9.2rc1, as far as I can tell. Should this ticket be closed?

**#2 - 2008-02-01 02:14 AM - Marco Hugentobler**

- *Resolution set to fixed*

- *Status changed from Open to Closed*

Yes, this feature is in svn since a few weeks.

Marco
