#5 - 2015-12-03 07:03 AM - Médéric RIBREUX

- Pull Request or Patch supplied set to No

- Status changed from Open to Feedback

Hello, bug triage...

in the Interpolation Plugin, the extent is updated with the extent of the last added input vector layer.

Do you consider that this feature can answer to your need or do you really need to have a dedicated button/dialog to choose the extent for any vector opened in QGIS (and which is not an input layer of the plugin) ?

#6 - 2015-12-03 08:46 PM - Alister Hood

No, that doesn't answer it.

#7 - 2016-01-03 06:14 AM - Médéric RIBREUX

- Status changed from Feedback to Open

#8 - 2016-12-20 01:35 AM - Alexander Bruy

- Resolution set to fixed/implemented

- Status changed from Open to Closed

Should be possible with Processing front-end. Please reopen if necessary

#9 - 2017-01-02 01:26 AM - Giovanni Manghi

- *Category changed from 116 to Analysis library*
