Pull Request or Patch supplied:	No		**Resolution:**	duplicate
Easy fix?:	No		**Copied to github as #:**	14043

Description

It seems the composer attribute table already has multicolumn sort support. Was done in
commit:f13d3f35a3000355d769966d8af242569814960d

Would be good for it to also be ported to the normal attribute table.
