<b>Description</b>		
<p>Hi,</p> <p>I'm not sure if this is fixed in the latest, I'm testing the most recent [[DebianGIS]]/stable package (0.7.4). Sorry if this is long fixed.</p> <p>If I try and use ' ' as the delim, the Delimited Text Layer dialog won't parse it. I am using the "196 mile creek" example data from the userguide.pdf. If I trade ' ' for ',' it works correctly.</p> <p>Dumb tricks like quoting it don't help.</p>
