QGIS Application - Feature request #4273
North arrow in lower/upper centre canvas

2011-09-08 01:40 PM - andskog -

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:	Map Canvas		
Pull Request or Patch supplied:	No	**Resolution:**	fixed/implemented
Easy fix?:	No	**Copied to github as #:**	14213

Description

Currently, the north arrow decoration can be set to any of the four corners of the map canvas. Additionally, I think it could be an option to place in the lower/upper centre, which are the locations at which it actually seems to be calculated for.

- Tag set to easy

Hello, bug triage...

to implement this, we need to modify some code in src/app/qgsdecorationnortharrow.cpp and add placement labels in the constructor.

I think this should be easy to fix...

#7 - 2015-12-21 09:29 AM - Duncan Runnacles

I've been having a look at doing this. I might include Feature request #3756 as well as it's all pretty much the same. I'll post here when it's done.

#8 - 2016-01-09 06:42 PM - Duncan Runnacles

I've now finished this and it has been merged into master.
