

QGIS Application - Bug report #4303

Plugin installer: error if high-ASCII in path

2011-09-23 12:09 PM - Paolo Cavallini

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Python plugins	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:		Resolution:
Crashes QGIS or corrupts data:		Copied to github as #: 14240
Description		
If in the path there is some high-ASCII, the installer throws an error, and plugins cannot be installed. Looks an easy fix. Details below. Thanks. <pre>No se pudo cargar el complemento 'ziplayers' de ['C:/PROGRA~2/QUANTU~1/apps/qgis-dev/.python', 'C:/Users/MarÃ- a/.qgis/python', 'C:/Users/MarÃ-a/.qgis/python/plugins', 'C:/PROGRA~2/QUANTU~1/apps/qgis-dev/.python/plugins', 'C:\\PROGRA~2 \\QUANTU~1\\bin\\python25.zip', 'C:\\PROGRA~2\\QUANTU~1\\apps\\Python25 \\DLLs', 'C:\\PROGRA~2\\QUANTU~1\\apps\\Python25\\lib', 'C:\\PROGRA~2 \\QUANTU~1\\apps\\Python25\\lib\\plat-win', 'C:\\PROGRA~2\\QUANTU~1\\apps \\Python25\\lib\\lib-tk', 'C:\\PROGRA~2\\QUANTU~1\\apps\\qgis-dev\\bin', 'C: \\PROGRA~2\\QUANTU~1\\apps\\Python25', 'C:\\PROGRA~2\\QUANTU~1\\apps\\Python25 \\lib\\site-packages', 'C:\\PROGRA~2\\QUANTU~1\\apps\\Python25\\lib \\site-packages\\win32', 'C:\\PROGRA~2\\QUANTU~1\\apps\\Python25\\lib \\site-packages\\win32\\lib', 'C:\\PROGRA~2\\QUANTU~1\\apps\\Python25\\lib \\site-packages\\Pythonwin', 'C:\\PROGRA~2\\QUANTU~1\\apps\\qgis-dev\\python \\plugins\\fTools\\tools'] Traceback (most recent call last): File "C:/PROGRA~2/QUANTU~1/apps/qgis-dev/.python\\qgis\\utils.py", line 117, in loadPlugin import(packageName) File "C:/PROGRA~2/QUANTU~1/apps/qgis-dev/.python\\qgis\\utils.py", line 283, in _import mod = _builtin_import(name, globals, locals, fromlist, level) ImportError: No module named ziplayers Versión de Python: 2.5.2 (r252:60911, Feb 21 2008, 13:11:45) [MSC v.1310 32 bit (Intel)] Versión de QGIS: 1.8.0-Trunk Trunk, a4c2180 Ruta de Python: ['C:/PROGRA~2/QUANTU~1/apps/qgis-dev/.python', 'C:/Users/Mar\\xc3\\xada/.qgis/python', 'C:/Users/Mar\\xc3 \\xada/.qgis/python/plugins', 'C:/PROGRA~2/QUANTU~1/apps/qgis-dev/.python/plugins', 'C:\\\\PROGRA~2\\ \\QUANTU~1\\\\bin\\\\python25.zip', 'C:\\\\PROGRA~2\\\\QUANTU~1\\\\apps\\\\Python25 \\\\DLLs', 'C:\\\\PROGRA~2\\\\QUANTU~1\\\\apps\\\\Python25\\\\lib', 'C:\\\\PROGRA~2\\</pre>

Does the installer display any "gentle" error message prior to raising the error? It seems the plugin was successfully installed, but then qgis.utils fails to load it. Could you please look to the plugins directory and check if the plugin is there? If it's present, then the problem is in qgis.utils, otherwise in the installer.

#2 - 2011-09-23 11:25 PM - Paolo Cavallini

I no longer have a access to the win machines that threw the error. AFAIR:

- no gentle error message
- the plugin is there, just not loaded

#3 - 2011-09-24 05:15 PM - Borys Jurgiel

Ok, than it's related to Python plugins paths, not to the installer.
Unfortunately also I have no access to an affected windows version.

see also #4141

#5 - 2011-12-16 02:11 PM - Giovanni Manghi

- Target version set to Version 1.7.4

#6 - 2012-04-16 06:29 AM - Paolo Cavallini

- Crashes QGIS or corrupts data set to No
- Affected QGIS version set to master
- Target version changed from Version 1.7.4 to Version 1.8.0

#7 - 2012-07-25 01:43 AM - Steve Tracik

Still doesn't work in the 1.8.0 version (and MASTER version)

#8 - 2012-09-04 11:57 AM - Paolo Cavallini

- Target version changed from Version 1.8.0 to Version 2.0.0

#9 - 2013-04-07 04:24 AM - Minoru Akagi

- File homePythonPath.diff added

Attatched patch enables loading plugins with a few exceptions.

Found defects:

- ScriptRunner plugin: fails to be loaded.
- OpenLayers plugin: Menu icons and layers are not displayed.

I would like to note that there is another solution using --configpath commandline option.

#10 - 2013-04-07 04:41 AM - Anonymous

- Status changed from Open to Closed

Fixed in changeset commit:"5edc9df06b39d07f30f117c5f8c66d994ac9e0cb".

#11 - 2013-04-07 06:34 AM - Minoru Akagi

- File update-homePythonPath.patch added
- Status changed from Closed to Reopened

ah, I missed version update.

#12 - 2013-04-07 07:59 AM - Minoru Akagi

- Status changed from Reopened to Closed

I should have opened a new ticket (#7537).
