QGIS Application - Bug report #4387
New labelling: "add direction symbol" does not make sense for polygons and points

2011-10-15 07:45 AM - Giovanni Manghi

Status:	Closed			
Priority:	Low			
Assignee:				
Category:	Symbology			
Affected QGIS version:		**Regression?:**	No
Operating System:		**Easy fix?:**	No
Pull Request or Patch supplied:		**Resolution:**	fixed
Crashes QGIS or corrupts data:		**Copied to github as #:**	14319

Description

or at least it does not have any effect. But as far as I understand it should be available only for lines.

History

#1 - 2011-10-19 05:51 AM - Martin Dobias

Fixed in commit:3a15509b

#2 - 2011-10-19 05:51 AM - Martin Dobias

- *Resolution set to fixed*

- *Status changed from Open to Closed*
