

## QGIS Application - Feature request #4712

### Add "Count number of lines in each polygon" to fTools

2011-12-28 11:56 PM - Paolo Cavallini

<b>Pull Request or Patch supplied:</b>		<b>Resolution:</b> fixed
<b>Easy fix?:</b>		<b>Copied to github as #:</b> 14595
<b>Description</b>  It would be useful to add an extra command to fTools, that extend the current one (lines in polygons) adding to the total length also their number (e.g. I want to know not only the total length of rivers per administrative unit, but also the number of rivers). Should be straightforward.		

#### History

##### #1 - 2012-04-15 10:21 AM - Giovanni Manghi

- Target version set to Version 2.0.0

##### #2 - 2012-10-04 09:57 AM - Alexander Bruy

Implemented in commit:e2a9c16603 for SEXTANTE fTools provider. Not sure should we close this ticket or no

##### #3 - 2012-10-04 09:59 AM - Giovanni Manghi

- Status changed from Open to Feedback

##### #4 - 2012-10-04 10:25 AM - Paolo Cavallini

- Resolution set to fixed

- Status changed from Feedback to Closed

Fine with me, thanks.

##### #5 - 2017-05-01 01:22 AM - Giovanni Manghi

The "fTools" category is being removed from the tracker, changing the category of this ticket to "Processing/QGIS" to not leave the category orphaned.
