QGIS Application - Feature request #5064
Leave table of attributes open when deleting records (directly from the table of attributes)

2012-02-21 09:52 AM - Giovanni Manghi

Status:	Closed		
Priority:	Low

Pull Request or Patch supplied:	No	**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	14831

Description

Actually after confirming the deletion of one or more records directly from the table of attributes, the table closes. That is not very handy assuming that a user wants to delete more records. Eventually in the confirmation dialog a checkbox can be added, allowing to choose to reopen the table or not.
