

QGIS Application - Feature request #5783

Make the "move feature(s) tool" support snapping

2012-06-11 10:10 AM - Manon Dtu

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Digitising	
Pull Request or Patch supplied:		Resolution: duplicate
Easy fix?:	No	Copied to github as #: 15275
Description		
Dans le but de déplacer une entité, l'outil "déplacer" ne permet pas un accrochage aux entités présentes. Il ne semble pas avoir de fonctionnalité permettant cela. Elle serait bien utile. // In order to move an entity, the tool "move" does not snap entities present. It does not seem to allow this functionality. It would be helpful.		

History

#1 - 2012-06-11 10:54 AM - Giovanni Manghi
