

QGIS Application - Feature request #6211

Add sort by "symbol"

2012-08-16 06:39 AM - Jonathan Moules

Status:	Open	Resolution: Copied to github as #: 15524
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
<p>I've styled a layer by category. If I click the "Value" column, it orders by value (asc or desc) with an arrow to indicate which way. Same if I click on "Label".</p> <p>However, if I click on "Symbol", while a little arrow appears to indicate this is whats being ordered by, the actual order doesn't change.</p> <p>So Either:</p> <ul style="list-style-type: none">- It shouldn't be possible to "order" by Symbol.- Some sort of symbol ordering should be implemented.		

History

#1 - 2012-08-16 10:25 AM - Giovanni Manghi

- Target version set to Version 2.0.0
- Category set to Symbology
- Subject changed from Sort by "Symbol" to Add sort by "symbol"
- Tracker changed from Bug report to Feature request

I guess that ordering by symbol (inverting the classes order) should be available.

#2 - 2012-10-06 02:20 AM - Pirmin Kalberer

- Target version changed from Version 2.0.0 to Future Release - Nice to have

#3 - 2017-05-01 12:48 AM - Giovanni Manghi

- Easy fix? set to No
