- Status changed from Open to Feedback

I cannot reproduce this on 2.6.  
Is this still an issue?

#2 - 2015-01-06 06:06 AM - Alister Hood

- Resolution set to worksforme  
- Status changed from Feedback to Closed

Maybe it is fixed. I can't reproduce with a random project and the example I gave.  
I haven't been doing any GIS for a while, but if I notice it again I'll reopen.
