

QGIS Application - Feature request #6499

Allow choose the default measurement units to use

2012-10-11 10:54 AM - Marc-André Saia

Status:	Open	Resolution: Copied to github as #: 15719
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
Hi, It will be convenient to choose the default measurement units to use. Ex: inch for the composer layout, points for typos and line widths.		

History

Yes I think this would be useful

#2 - 2014-01-27 02:49 AM - Giovanni Manghi

- *Operating System deleted (All)*
- *Target version changed from Version 2.0.0 to Future Release - Nice to have*
- *Category set to GUI*
- *Subject changed from Units to Allow choose the default measurement units to use*

#3 - 2017-05-01 12:48 AM - Giovanni Manghi

- *Easy fix? set to No*
