QGIS Application - Bug report #7046
Import file does not autofill values

2013-01-25 12:07 AM - Paolo Cavallini

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	DB Manager			
Affected QGIS version:	master	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:	No	**Resolution:**	fixed/implemented	
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	16134	

Description

DB Manager correctly prefills necessary fields (name of the geometry column, SRIDs etc.) when dragging and dropping from the browser to the DBMan window. When using the `Import file` button, the fields have to be filled by hand. This is unconvenient and incoherent.

History

#1 - 2016-11-26 05:16 AM - Giovanni Manghi

- Resolution set to fixed/implemented

- Status changed from Open to Closed

This is working ok since a long now.
