Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	10799

Description

This patch modifies the print composer to use Qt 4's new [[GraphicsView]] framework.
Little has changed in the functionality and interface of the print composer. Several bugs resulting from using integer precision on the canvas have been fixed. This should also fix bug #585 .

History

#1 - 2007-07-16 12:37 PM - Tim Sutton

- Resolution set to fixed

- Status changed from Open to Closed

This patch has been applied as of many thanks for your contribution.

#2 - 2009-08-22 12:45 AM - Anonymous

Milestone Version 0.9 deleted
