In my master I cannot see that tabs, it was fixed in the last hours?

Nope - still seeing it with current master. I've attached a screenshot. Both the Pyramids and Histogram buttons are shown, but clicking them displays only the Pipes tab.

I'll look into this right now. Seems my update to vertical tabs may have messed that up.

Should be fixed with commit `commit:833ae95`

Please test, works on Mac for WMS layers
