

QGIS Application - Feature request #7750

Topology Checker - Add "Save to" to the results

2013-05-02 06:56 AM - Marcelo Silva

Status:	Open	Resolution: Copied to github as #: 16653
Priority:	Normal	
Assignee:	vinayan Parameswaran	
Category:	C++ plugins/Topology checker	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>The Topology Checker is a great addition to the QGIS, but it needs a option to save the results.</p> <p>This need is not important for dealing with small number of shapes, but when you have, like me, to process 1000+ ones, the option to save the error log as a separate log, to deal with later is very important.</p> <p>Thanks in advance,</p>

- Target version set to Future Release - High Priority
- Assignee set to vinayan Parameswaran
- Category set to C++ Plugins

Marcelo, Saving the results to a shapefile makes sense. Since we are in feature freeze, I would add this for 2.1

#2 - 2014-06-29 11:23 AM - Jürgen Fischer

- Category changed from C++ Plugins to C++ plugins/Topology checker

#3 - 2017-05-01 12:48 AM - Giovanni Manghi

- Easy fix? set to No
