

## QGIS Application - Bug report #7800

### Export SLD creates file with double-depth <filter> tags

2013-05-10 07:03 AM - Jonathan Moules

|                                                                                                                                                                                                                                                                                                                                                                                                                             |           |                                     |

| <b>Description</b>                                                                                                                                                                                                                                                                                                                                                                                                          |           |                                     |
| <p>I exported a categorised SLD. It created double depth filter tags, so:</p> <pre>&lt;ogc:Filter&gt;   &lt;ogc:Filter&gt;     &lt;ogc:PropertyIsEqualTo&gt;       &lt;ogc:PropertyName&gt;RESPONSIBILITY&lt;/ogc:PropertyName&gt;       &lt;ogc:Literal&gt;Highways Agency (HA)&lt;/ogc:Literal&gt;     &lt;/ogc:PropertyIsEqualTo&gt;   &lt;/ogc:Filter&gt; &lt;/ogc:Filter&gt;</pre> <p>Attached is the SLD and QML.</p> |           |                                     |

#### History

##### #1 - 2013-05-10 07:03 AM - Jonathan Moules

Oh yes - Using build 1959182 on Windows 7 64bit

##### #2 - 2013-05-19 04:17 PM - Giuseppe Sucameli

It was broken in commit commit:837ac4de5c while refactoring OGC filter stuff.

##### #3 - 2016-01-10 11:26 AM - Sebastian Dietrich

I can not reproduce in master (commit:19a47fec29a35b264e42893e7b56f22a5759ffc5). I applied the attachment:asdf.qml and saved the style as SLD, everything is fine.

Is this still an issue?

##### #4 - 2016-01-10 12:22 PM - Nyal Dawson

- Status changed from Open to Feedback

##### #5 - 2016-04-09 11:52 PM - Giovanni Manghi

- Resolution set to not reproducible

- Status changed from Feedback to Closed

Closing for lack of feedback, please reopen if necessary,
